VERTO EDUCATION ACADEMIC INTEGRITY STATEMENT

Verto is committed to upholding a culture of educational integrity within our learning community. By participating in a Verto Education Study Abroad Experience, with academics administered by our Academic Provider, participants commit themselves to producing academic work of integrity that adheres to accurate attribution of sources, appropriate use of data, and acknowledgment of the contributions of others. Cheating or assisting others in cheating on exams, tests, or quizzes; plagiarizing the ideas or language of others; and any other form of dishonesty (including, but not limited to, lying, falsifying documents, or failing to disclose knowledge of an Academic Integrity violation) constitute violations of the Code of Conduct.

It is the responsibility of each participant to consult with our Academic Provider's educators if they have questions regarding what violates the Code of Academic Integrity. Academic misconduct may result in a failing grade for the course. Violations of academic integrity may also affect matriculation to academic institutions following the Study Abroad Experience.
