

ACADEMIC STATUS & PROGRESS

Fall 2022 through Spring 2023

Please note that this policy is a draft and subject to change

Full-Time Students

Full-time student status with our Academic Providers is attained by registering for a minimum of 12 credits per semester. Please note that dropping below 12 credits over the course of the semester may result in impacts to institutional aid, visa status, and/or eligibility to stay on a Verto Study Abroad Experience.

Part-Time Students

Students who register for 1 through 11 credits during a semester or equivalent term maintain part-time status with our Academic Providers. A student must receive permission from Verto and our Academic Provider's Registrar to register for less than 12 credits.

Satisfactory Academic Progress

Verto complies with the Satisfactory Academic policies defined by our Academic Providers. In addition, for students that wish to continue the Study Abroad Experience beyond their first semester, the student is required to have earned a GPA of 2.0 or greater from their prior abroad semester, registration from at least 12 credits per abroad semester, and successful completion of at least nine credits per abroad semester. Completion is defined as the receipt of a final letter grade, but not the receipt of a Withdrawal (W or W/F), Did Not Attend (DNA), or an Incomplete (I or INC). Successful completion is defined as the receipt of a transferable letter grade (A+ to C-).
