

# VERTO PRAGUE STUDY CENTER

The Verto Prague Center is in the heart of the city center in an area called Vinohrady, a higher-end residential zone, home to numerous restaurants, cafes, and parks. Vinohrady means “vineyards” in Czech as it was covered in vineyards during the 14th century.

The Verto Prague Center is located at one of the largest English language higher-education institutions in the Czech Republic, University of New York in Prague (UNYP).

Your study center is located at the following address:

[Londýnská 41, 120 00](#)  
[Praha 2 Vinohrady](#)

## What can you expect at the study center?

The Verto Study Center is located on the 5th floor of a historic building in the city center. The surrounding area is filled with restaurants, shops, and you are just minutes away from the National History Museum and famous Wenceslas statue. UNYP is much smaller than a traditional university campus but we are sure you will find all that you need to have a successful study abroad experience within the center!
